

A quick report from the **Grafham Grand Prix**, the first of the **'Sailjuice Global Warm-up Series 1012'**.

Four 29ers got out of the blocks early in 2012 for the first event of the year. 167 boats enjoyed Champagne sailing under blue skies with between 12 & 18 knots of breeze.

In the 'fast handicap fleet' the 49er GBR1110 (ex 29er sailor George Hand) took the first win of the year with two bullets. 29er GBR1509 Callum Ellis & Will Harris finished a fantastic day in second. GBR1782 Tom Bucktrout sailing with Ash Greenall finished in seventh, with GBR394 Ed Connellan & Matt Rhodes 28th and GBR1287 Andrew Kilburn & Calum Healey 31st... well done guys, good to see the 29ers making their presence felt!

Great racing, under fantastic conditions, a perfect start to 2012. Thanks to Race officer Peter Saxton and his team at Grafham.
