Take the A228 road from Wainscott towards Grain. Hoo St. Werburgh is well sign posted on this road. Just after climbing a fairly steep hill with a road bridge over it the road drops down to a roundabout. Take the second exit, signposted "Hoo St. Werburgh" and then the first exit at the next roundabout. You are now in Main Road.

N.B. These roundabouts are part of a new road system completed in 2006.

At present most printed maps, online maps and SatNav systems still show the old layout of a forked junction.

After approximately 700 metres and just before you reach the swimming pool, there is a traffic island. Immediately after the island, on the right hand side is a private track flanked with black, white and yellow posts. This is the entrance to Church Farm and takes you to the sailing club.

If you reach a mini-roundabout you have just passed the farm entrance. Use the roundabout to do a U-turn and take the first track on your left.

Follow this track to the top of the hill (observing the
